

## **Ervin Hauk's photos of the Fort Worth Veterans Day Parade, November 11, 2015.**

Ervin Hauk is an excellent photographer and is a member of the Tarrant County Historical Commission. For quite some time now he has been active in attending our meetings and helping us when we have Confederate markers to install.

In December 2015 we will place a first-ever grave marker for his Confederate ancestor, Thomas Gilmore, in Fort Worth's Pioneer's Rest Cemetery.

Ervin rode with us in the parade and took this set of outstanding photographs. We appreciate his willingness to help and share his talents.
